

Box No. VIII(iv) DECLARATION OF INVENTORSHIP (only for the purposes of the designation of the United States of America)

The declaration must conform to the standard wording provided for in Section 214: see Notes to Boxes Nos. VIII, VIII(i) to (v) in general and the specific Notes to Box No. VIII(iv). If this Box is not used, this sheet should not be included in the request.

**Declaration of inventorship (Rules 4.17(iv) and 51bis.1(a)(iv))
for the purposes of the designation of the United States of America:**

I hereby declare that I believe I am the original, first and sole (if only one inventor is listed below) or joint (if more than one inventor is listed below) inventor of the subject matter which is claimed and for which a patent is sought.

This declaration is directed to the international application of which it forms a part (if filing declaration with application).

This declaration is directed to international application No. PCT/filed under Attorney Reference "UNGR-1639" on 23 January 2003 (if furnishing declaration pursuant to Rule 26ter).

I hereby declare that my residence, mailing address, and citizenship are as stated next to my name.

I hereby state that I have reviewed and understand the contents of the above-identified international application, including the claims of said application. I have identified in the request of said application in compliance with PCT Rule 4.10 any claim to foreign priority, and I have identified below, under the heading "Prior Application," by application number, country or Member of the World Trade Organization, day, month and year of filing, any application for a patent or inventor's certificate filed in a country, other than the United States of America, including the PCT international application designating at least one country other than the United States of America, having a filing date before that of the application on which foreign priority is claimed.

Prior Applications USSN 10/055,772 filed 23 January 2002 which is a CIP of USSN 09/699,679 filed 30 October 2000 and a CIP of USSN 09/496,761 filed 03 February 2000 which is a divisional of USSN 08/851,780 filed 06 May 1997.

I hereby acknowledge the duty to disclose information that is known to me to be material to patentability as defined by 37 CFR § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the PCT international filing date of the continuation-in-part application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
